FISH FARMERS PRODUCER ORGANIZATION:

PREAMBLE:

Fish Farmers Producer Organization (FFPO) is an association or group of fisher's fish farmers or other stakeholders engaged in fisheries with the primary objective of developing sustainable fisheries value chain business.

Under PMMSY Scheme, the NCDC is promoting Fish Farmers Producer Organization (FFPO) by converting the existing PFCS into FFPOs.

FFPO will be formed by empaneling "Cluster Based Business Organization (CBBO) which will assist in the implementation of the Scheme as per the scheme guidelines. NCDC has empaneled the TAFCOFED as "Cluster Based Business Organization. A total of 105 Primary Fisheries Co-Operative Societies have been selected for strengthening as FFPOs in Tamil Nadu.

The Objective of FFPOs as envisaged are: -

- i) To economically empower the fishers and fish farmers and enhance their bargaining power by achieving economies of scale.
- ii) To enhance productivity through efficient, cost-effective and sustainable resource utilization.

- iii) To enable fishers and fish farmers to realize higher returns through improved liquidity and better remunerative market linkages for their produce.
- iv) To build capacities of fishers and fish farmers and develop entrepreneurial skills to make FFPOs economically viable and self-sustaining
- v) To develop vibrant and sustainable income-oriented fisheries value chains.
